**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The public is not stupid. I can smell monopoly. I cancelled ATT&T, and will NOT be forced into doing business with large corporations that I do not trust. I like personal service, and a company that can be trusted. Additionally, I want choices. Competition is vitally necessary to maintain checks and balances for pricing. Please do the right thing for the people of this country.

Kind regards,

Helen Cameron
